

RAD NEWS

Hickory Housing Authority

The Hickory Housing Authority will utilize RAD funding to upgrade its current apartments. No Section 8 Vouchers will be issued.

We plan to relocate tenants during the day and allow them to return home at night. The renovations will consist of; upgrades to the kitchens and bathrooms, new exterior doors and windows, electrical and plumbing, and ADA upgrades.

This is just phase one, there will be new roofs, siding, landscaping and other upgrades as we progress. Please plan to attend any RAD meetings which are advertised.

Thank you for your continued support.
